

# AMERICAN PANCREATIC ASSOCIATION (APA) AI BOOTCAMP

## Stanford University | CODA Building | April 11–12, 2026

*A hands-on workshop on AI tools for pancreatology research, clinical practice, and scientific discovery*

---

### PRELIMINARY PROGRAM (v2026-03-14)

---

#### SATURDAY | APRIL 11

##### 8:00–9:00 AM

Breakfast and Check in

##### 9:00–9:10 AM

Welcoming Remarks

#### MODULE 1 | 9:10 AM–12:00 PM

##### AI Literature Queries, Reviews, Writing, and Prompt Engineering

Hands-on Breakout Group Exercises  
Group Reporting

##### 12:00–1:00 PM

Lunch

##### 1:00–2:00 PM

##### KEYNOTE: AI-Enabled Biomedical and Genetic Discovery

[Gary Peltz, MD, PhD, Stanford University](#)

#### MODULE 2 | 2:00–4:30 PM

##### Leveraging AI Assistants and Agents for Pancreatology

Hands-on Breakout Group Exercises  
Group Reporting

##### 4:30–5:30 PM

Stanford Campus Walking Tour [optional]

##### 5:30–6:00 PM

Break

##### 6:00–7:00 PM

Cocktail Reception

##### 7:00–9:00 PM

Networking Dinner

#### SUNDAY | APRIL 12

##### 8:00–8:30 AM

Breakfast

#### MODULE 3 | 8:30–12:00 AM

##### Emerging AI Tools for Clinical Pancreatology

Hands-on Breakout Group Exercises  
Group Reporting

##### PANEL: The Future of AI in Pancreatology

Closing Remarks and Recognitions

##### 12:00 PM

Boxed Lunch To Go
