

AMERICAN PANCREATIC ASSOCIATION (APA) AI BOOTCAMP

Stanford University | CODA Building | April 11–12, 2026

A hands-on workshop on AI tools for pancreatology research, clinical practice, and scientific discovery

PRELIMINARY PROGRAM

SATURDAY | APRIL 11

8:00–9:00 AM

Breakfast and check in

9:00–9:10 AM

Welcoming remarks

MODULE 1 | 9:10 AM–12:00 PM

AI Literature Queries, Reviews, Writing, and Prompt Engineering

Hands-on group exercises
Group reporting and interactive discussion

12:00–1:00 PM

Lunch

1:00–2:00 PM

The Rise of AI in Biomedicine

MODULE 2 | 2:00–4:30 PM

Leveraging AI Assistants and Agents for Pancreatology

Hands-on group exercises
Group reporting and interactive discussion

4:30–5:30 PM

Stanford campus walking tour
[optional]

5:30–6:00 PM

Break

6:00–7:00 PM

Cocktail reception

7:00–9:00 PM

Networking dinner

SUNDAY | APRIL 12

8:00–8:30 AM

Breakfast

MODULE 3 | 8:30–12:00 AM

Emerging AI Tools for Clinical Pancreatology

Hands-on group exercises
Group reporting and interactive discussion

PANEL: The future of AI for pancreatology

Closing remarks and recognitions

12:00 PM

Boxed lunch to go
